- Promotion of Access to Information Act No. 2 of 2000
- The Protection of Personal Information Act No. 4 of 2013
- General Data Protection Regulation &
- Consumer Protection Act No. 68 of 2008

STATEMENT

This risk disclosure statement cannot and does not disclose all of the risks associated with the services provided by Skylaw Legal. Skylaw Legal will at all times act in the best interest of their clients but cannot be held accountable for forces outside of its control.

TECHNICAL RISK

Users confirm and accept that there are risks associated with using an Internet-based Platform. This may include (but is not limited to): software errors, hardware failure, delayed updates and loss of Internet connection. Apart from the risks mentioned above, there are risks related to malicious intent of other individuals that may result in unauthorized access to the platform, User's account, due diligence information of the User, distribution of malware and other harmful software, and others.
